Corporate Membership—2018

Thank you for your interest in **LARTERS at ST ANDREWS GOLF & COUNTRY CLUB**. Larters is located in the R M of St Andrews and is situated on the banks of the Red River, only 22 minutes from downtown Winnipeg. Larters is now in its 28th year of operation and ranks among the best in Manitoba as a semi-private golf course

Larters offers a 1st class facility with all your interests in mind;

- 18 holes of golf
- complete practice facility (driving range, practice greens, and bunkers)
- clubhouse, complete with coffee shop/lounge, dining room, meeting rooms, banquet room, and lockers
- full service Pro Shop, complete with a 'Winter Golf School'.
- Numerous Men's and Ladies leagues to help keep the membership active.

The golf course is designed to provide challenge and enjoyment for players of all skill levels. The player is faced with numerous water hazards, strategically placed fairway, pot, and green-side sand bunkers. The championship men and ladies layouts play from 5200 to more than 6150 yards. Multiple tees and large greens for strategic pin locations, makes for the complexity demanded by all types of golfers.

Our Pro Shop is well equipped for all of your golfing needs. The friendly, knowledgeable staff are on hand to ensure you make the most of your time at Larters.

A complete service package is included in your membership, consisting of; club storage, driving range privileges, club cleaning, pull cart, shoe cleaning, and locker. Power carts are available for rental. Also 'frequent rider' discounts are available.

The clubhouse features our 'Heather Dining Room', which overlooks the scenic Red River, our 'Oscar's Lounge', for light meals and cold beverages, and our highly acclaimed 'Larter' banquet facility that can accommodate up to 200 people.

As well, Larters has ownership with ***Meadows at East St. Paul Golf Course*** in East St. Paul. This golf course began play in June of 2005 and offers golfing privileges to the Larters members as a benefit with their membership. 2018 will likely be the last season for the Meadows Golf Course, so act now to retain this great "perk" along with your membership at Larters.

..... So, beginning in 2017, our ***Corporate Memberships*** began to take on a new look. Each ***Corporate Membership*** will come with a set number of ***corporate passes*** that can be used by not only the ***corporate members*** associated with the ***Corporate Membership*** but also any guests they may bring out as well. We feel this gives the ***Corporate Membership*** plenty of 'Flexibility' especially in using the passes at their discretion. More detail about the ***Corporate Memberships*** are available in the "***Membership Category Information***" viewable on page 6 of this package.

2018

To all Corporate Memberships:

Thank you for choosing Larters at St. Andrews for your corporate membership needs. Over the past number of years our Corporate Memberships have become increasingly popular because of its flexibility and affordability. With up to 7 people on one membership, a company has the ability to involve many of their staff in the opportunity to enjoy a private club setting with all the amenities. The “Corporate Memberships” are designed to allow companies to have their staff use our golf facilities, including our restaurants to entertain clients as well as family and friends.

With our “corporate pass” program, flexibility is the name of the game! With our Corporate 1 and Corporate 2 Memberships, you can choose which membership option is best for your company and its employees. Whether you are entertaining clients or simply enjoying the ‘corporate passes’ yourself, you can’t go wrong with a Corporate Membership from Larters!

Happy Golfing!
