Thank you for your interest in **LARTERS at ST ANDREWS GOLF & COUNTRY CLUB**. Larters is located in the R M of St Andrews and is situated on the banks of the Red River, only 22 minutes from downtown Winnipeg. Larters is in its 35th year of operation and the golf course has matured to a level that ranks among the best in Manitoba.

Larters offers a 1st class facility with all your interests in mind;

- ❖ 18 holes of golf
- ❖ complete practice facility (driving range, practice greens, and bunkers)
- ❖ clubhouse, complete with restaurant/sports lounge, meeting rooms, banquet room, and lockers

The golf course, built in 1990, was designed to provide challenge and enjoyment for players of all skill levels. The player is faced with numerous water hazards, strategically placed fairway, pot, and green-side sand bunkers. The championship men and ladies layouts play from 5200 to more than 6150 yards. Multiple tees and large greens for strategic pin locations, makes for the complexity demanded by all types of golfers.

Our Pro Shop is well equipped for all of your golfing needs. The friendly, knowledgeable staff are on hand to ensure you make the most of your time at Larters. The pro shop at Larters adheres to 'best pricing' guaranteed, so as a member, you can be assured that buying your equipment at our Pro Shop will **guarantee you "the best price in town"!**

A complete service package is included in your membership, consisting of; club storage, driving range privileges, the use of pull carts, club cleaning, shoe cleaning, and a full service locker room. Power carts are available for rental. Also 'frequent rider' discounts are available to all members.

2022 saw a complete renovation of the 'lower level' of the clubhouse.....which included upgrades to our Men's and Ladies Locker rooms/showers/washroom facilities. New flooring throughout the entire lower level replaced the existing flooring. The driving range was also renovated with a new tee area for mats as well as an upgrade to the grass tees. We are very excited about all of our renovations and how this will allow the members of Larters to enjoy a first class facility!

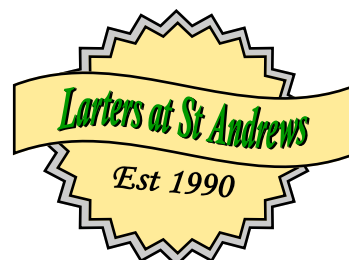

2023 saw a return of the **Winter Golf School** and the addition of a **GCHawk Golf Simulator!** Both were open for business in very early January.

2025 will see continued renovation of tee boxes throughout the golf course as we continue to improve the overall experience at Larters!

If you are concerned that you don't know anyone at the club, don't worry!! Your membership includes access to more than 7 men's and ladies leagues, allowing you to simply sign up to play and your groups and games will be provided for you, all you need to do is 'show up'. This is a great way to get to know other members at the club and soon you will be forging new friendships and new foursomes for years to come!

Thank you for your interest in becoming a member of Larters... if you require any additional information, or have any questions regarding our club facilities or memberships, please call us at (204) 334-2107 or email to info@larters.com.
